DevJam FAQ

- Are capsule updates eligible?
 - No capsules must be new capsules approved during the DevJam period
- Can I use templates on Github
 - Yes but the content must be unique. Templates are a great starting point
- How do I get Capsule idea, what's a winning idea?
 - Where does a voice interface work well/is the best modality. Make it fun, unique, interesting. Infuse your capsule with personality!
- Where can I ask more questions
 - Use the #devshowcase2019 channel on slack for contest questions, use StackOverflow for technical questions

Thank you
